Garry Duncan	Rebekha Sharkie MP
Mark Stewart	Lachlan Wallace
Carol Bailey	Airlee Keen
Paul Johnston	Robert McCauley
Donna Twycross	Ed Thomas
Greg Sarre (DCMB)	
Harry Seager	

There were 4 people in the gallery.

The Chair:

- acknowledged the traditional owners of the land on which the meeting was to be conducted and paid respect to Elders past, present, and emerging
- introduced members of the KCCCC to the gallery
- encouraged the gallery to participate.
- Introduced Nikki Fletcher who has started as Manager – HR, Safety and Environment for Hillgrove Resources

2. Confirmation of notes of previous KCCCC meeting of 16 March 2023 and Actions arising

The notes were confirmed as true and accurate.

The following actions **have been completed** since the previous meeting:

Task	Action
NVC project advancement	Callington native vegetation project to apply for funds under the funding grant round closing 21 February 2023. This to be coordinated through GWLAP with assistance from Hillgrove Resources. Awaiting results.
Master Plan Review	Master Plan brochure to be reviewed by KCCCC and feedback provided by 10 April. Feedback provided and draft presented at meeting. Master Plan booklets to be brought to the next KCCCC meeting for distribution. Done.
Master Plan – Kanmantoo Underground Project	Rubric to be used to assess Kanmantoo underground (Glenn Norris).
Master Plan – RCMB council	Put forward a motion requesting the Master Plan be considered during strategic planning process (Karlene Maywald & Airlee Keen) Seek a deputation to present Master Plan to RCMB council (Airlee Keen?)
Kanmantoo site revegetation	GN to send to KCCCC the latest flora and fauna reports.

New actions from this meeting and outstanding actions (or expanded actions) from previous meetings and are contained in the below table.

Task	Action
Master Plan Review	2 nd draft of Master Plan brochure done. Paul, Gary, Glenn and Nikki Fletcher (Hillgrove) to design.
Master Plan – Kanmantoo Underground Project	GN to circulate rubric results for underground project.
Master Plan – RCMB council	Provide council feedback on motion requesting the Master Plan be considered during strategic planning process for RCMB council meeting in July (Airlee Keen)
Master Plan – RCMB council	KCCCC members to hold meeting with RCMB community engagement team during strategic planning consultation phase in Jan-March 2024.
Hanson	Formal invitation for Hanson to present at next KCCCC meeting. (GN/KM)
Regional Development Australia	Contact RDA again to seek interest in joining the KCCCC
Microphone	Organize microphone for KCCCC meeting (GN).
Site Visit	KCCCC mine site visit planning for committee members (GN to propose times)
Hillgrove employment opportunities	GN and Nikki Fletcher to present at the next

	KCCCC meeting the types of employment opportunities that will be coming up at the mine that locals can apply for.
Kanmantoo site revegetation	Consider inviting revegetation specialist (EBS or John Crocker) to speak about Hillgrove's program at the next KCCCC meeting. Ongoing.
Garry to discuss erecting plaque which recognises the contributions of people/groups that made the Memorial Wall possible with Peter McGinn.	This is still a work in progress and will be kept on the action item list.

3. Master Plan

3.1 Master Plan Review

- Gallery members were provided an overview of the intent of KCCCC to community members for additional context, including the part of local council representation.
- 2nd draft of the KCCCC summary brochure presented and discussed. Next steps are to finalise wording and Gary and Nikki Fletcher will work on the design of the pamphlet.
- GN has assessed the Kanmantoo underground operation against the Master Plan rubric. Preliminary score was 74/100 comprising the below:
 - Environment (13/15), Heritage (12/18), arts and culture (13/24), Economic Development (18/21), Pillars (5/5), Inclusion (3/5), Balance (5/5), Governance (5/5) and Template (0/5).
- GN will send preliminary results rubric results to KCCCC.
- Question raised about how the rubric's weighting was designed. It was confirmed by the committee that it is currently under review, reassess the validity.
- It was reported that Airlie Keen has put forward a motion for the July Murray Bridge Council meeting for the K4C Masterplan to be formally considered during our Strategic Planning work. In terms of a deputation or similar, it is suggested a meeting be held with the community engagement team, during the consultation phase which is likely to occur during Jan to Mar 2024.
- A formal letter to be sent to Hanson Quarries to present at next meeting

ACTION

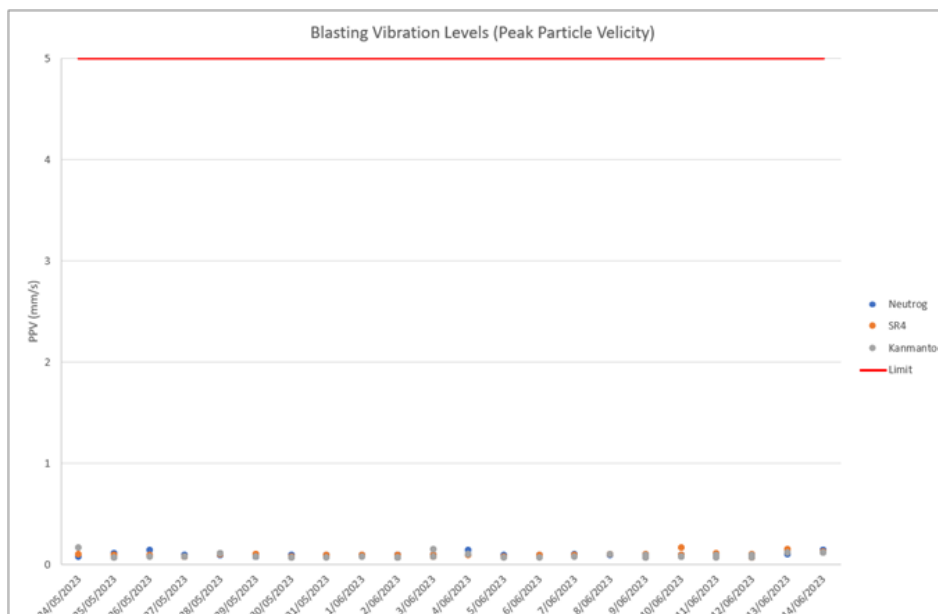

- Design Master Plan brochure when final draft completed (Gary and Nikki Fletcher).
- Glenn to send draft rubric score for Kanmantoo UG project to KCCCC members.
- Provide council feedback on motion requesting the Master Plan be considered during strategic planning process for RCMB council meeting in July (Airlie Keen)
- KCCCC members to hold meeting with RCMB community engagement team during strategic planning consultation phase in Jan-March 2024.
- A formal letter to be sent to Hanson Quarries to present at next meeting (Glenn/Karlene)
- Contact RDA again to seek interest in joining the KCCCC (Glenn/Karlene)
- KCCCC mine site visit planning (Glenn).

4. Kanmantoo Copper Mine

Glenn Norris provided the following updates.

4.1 Compliance / Emission /Rehabilitation

- No new compliance issues during the last quarter.
- Continue to monitor dust, surface water, ground water, soil, flora, fauna, landowners bores.
- Revegetated areas being maintained on-site and off-site including seed harvesting and processing, spot spraying, hand weeding and slashing high quality revegetated areas, pest management.
- Blasting recommenced on 24 May 2023 with all blasts well under the compliance limit (see chart).
 - Vibration limits as recommended in AS2187.2 are used and are based on minimising human discomfort and are well below the levels likely to produce structural damage.
 - The following blast vibration and overpressure limits have been set.
 - PPV Residential sites: 5 mm/s for 95% blasts per year. 10 mm/s maximum.
 - PPV Commercial sites (Neutrog): 25 mm/s maximum.
 - ~ 50 blasts have been undertaken since 24 May with the highest vibration reading 0.17 mm/s (see chart)

4.2 Kanmantoo Underground

Glenn Norris gave a presentation on the progress of the Kanmantoo Underground project. Updates from last meeting.

- Underground development mining has commenced!
- Glenn ran through the mining process from development drill and blast, haulage, installing ground support, scanning of rock faces, TSL application and broad activities for the next 6 months.
- Other areas on the site that have the potential to extend the mine life.
- Upcoming employment opportunities discussed including the personnel ramp up profile for the operation.

- Expected to be a steady ramp-up of people employed for the operation from mid-year.
- Around 180 full time employees planned at peak production along with specialist contractors.
- Hillgrove has a local hire policy meaning candidates living in the local area are preferentially employed when they have the necessary skill sets.
- Nikki Fletcher – Manager HR, Safety and Environment to present employment opportunities at next KCCCC meeting.

ACTION

- Nikki Fletcher to present employment opportunities at next KCCCC meeting.

Community Action List

- No further discussion.

5. Other Business

5.1 Native Vegetation Council Project

- Awaiting final announcement of results of NVC funding grant

ACTIONS

- Nil until results are announced.

6. Next meeting and close

Proposed date Thursday 14 September 2023, 7:30pm, Callington Hall.

Meeting closed 9.15 pm
